Bar Louie Franchise Expands to Evansville

Glenview, IL—Bar Louie America and its franchise arm, Bar Louie Development, have announced that a new franchisee for the popular tavern and grill will open in Evansville, Indiana.

Bar Louie has over 50 locations nationwide, including several franchisees. Evansville is the third location in Indiana (Carmel, Mishawaka) and the first Bar Louie location for this franchisee. Bar Louie is a casually cool neighborhood restaurant and bar that specializes in oversized signature sandwiches and handcrafted specialty cocktails, along with an extensive selection of small and large plates.

Menu standouts include mini Kobe hot dogs, the Luigi sandwich with shaved ribeye, an array of burgers with unique toppings from the California with Swiss, bacon, crab, and avocado to the Greek with tzatziki sauce, spinach, goat cheese and olive mix, and large plates featuring tacos to pasta dishes—Bar Louie truly has something for everyone.

Bar Louie Evansville will be open daily for lunch, dinner and late-night dining from 11 am to 2 am Monday through Friday and beginning at 10 am on the weekends for brunch. The entire menu is available until 2 am everyday.

Bar Louie Evansville will be open beginning July 27th at 7700 Eagle Crest Blvd. The restaurant seats 170 and 65 on their outdoor patio. Private event space is also available for parties of up to 50 guests.
