Townhouse Kitchen and Bar Opening in Sherman Oaks Galleria

Chicago, IL—Townhouse Kitchen and Bar from Chicago has expanded to Sherman Oaks, California. Townhouse, a sexy and urban restaurant, is slated to open in the Sherman Oaks Galleria on Monday, October 26th.

Townhouse Kitchen and Bar will mirror the distinctively urban interior of the original Chicago location, with hardwood floors, mosaic tiling, and floor to ceiling windows. Townhouse creates a warm and inviting atmosphere perfect for power lunches, romantic dinners, or late night cocktails.

Townhouse's contemporary American kitchen highlights local organic products and makes everything in-house from the sauces to the roasted turkey. The menu features a sophisticated selection of small plates, salads, sandwiches, and entrees with the perfect wine pairing for each. In addition, Townhouse will feature 30 beers on tap and hand-crafted signature cocktails.

Menu stand-outs include appetizers like the Surf and Turf roll (shrimp and steak sushi roll with cream cheese, avocado, crispy onions in a sweet soy sauce); the Townhouse Wagyu burger (with goat cheese, arugula, wild mushrooms, grilled tomato, on a brioche bun); grilled marinated skirt steak (chimichurri sauce, avocado and tomato salad); and oven baked crab cakes (limoncello vinaigrette slaw, in a Creole mustard sauce).

The 7,000 square foot restaurant seats over 250 guests inside and over 40 on the patio. In addition, Townhouse will offer private dining space for up to 34 guests.

Townhouse is open daily for lunch, dinner, and cocktails: Monday through Saturday 11 am to 2 am and Sundays 11 am to midnight. Townhouse is located at 15301 Ventura Blvd in the Sherman Oaks Galleria. Contact us at 818.453.9900 or visit us on the web at Restaurants-America.com.
